

# Westboro Restaurants near POTD2

The POTD2 Dance Hall is located at the corner of Richmond and Churchill  
The address for the hall is 345 Richmond Road.

There are a good number of restaurants in the area. I have made reservations for supper on Saturday night at six of the larger restaurants in the area, in addition there are a number of smaller specialized and premium boutique restaurants:

There will be sign-up sheets for the first six restaurants below at the conference. I will be providing the restaurants with firm numbers for our reservations right after the break on Saturday afternoon. I have included links for the menus of these restaurants below. Please review the menus and choose two or three that you prefer. This will enable you to decide on a restaurant based on the group with whom you would like to share the Saturday night supper.

For those people that require special diets (i.e. gluten free, organic, etc.) I recommend #7 The Table. It is the furthest restaurant in the group I have listed below (a short drive or a longer walk) though their specialty is catering to those people with special diet requirements. They have limited seating capacity (perhaps 50 people), don't take reservations and are not really equipped for groups though you should be able to pull two tables of four together to seat eight people.
